

COVID-19 Symptoms

FEELING SICK?

If you or anyone in your family has experienced these symptoms:

- 1 Do not report to work and avoid contact with others.
- 2 Seek medical attention from your healthcare provider.
- 3 Notify your Safety HR Team or Supervisor for return-to-work protocol.

Fever or Chills

Cough or Sore Throat

Nausea, Vomiting or Diarrhea

Fatigue or Muscle Pain

Shortness of Breath or Respiratory Distress

Loss of Sense of Taste or Smell
